

THANK YOU FOR USING sjRIDESHARE

You are promoting our island community and reducing the consumption of fossil fuel.

sjRIDESHARE is a voluntary program;
drivers and riders are not registered with the county

TIPS FOR SAFE COMMUTING

1. Drivers may make character judgements based on your appearance, dress for success.
2. When a driver stops, smile, thank them for stopping and ask where they are headed before stating your destination.
3. If you don't feel comfortable with the driver, tell them you're trying to go somewhere else and prefer to wait for another ride. Say thanks again and walk away.
4. If you do feel comfortable, wait for the driver to invite you in. Then get in and buckle your seatbelt. Let the driver know where you want to be let off ahead of time.

SAFE COMMUTING FOR KIDS

1. Get permission from your parents and let them know when you are going to use sjRIDESHARE.
2. Only take rides with drivers who you know. Say "Thanks for stopping but my parents will only let me take rides with people that I know."
3. Only use sjRIDESHARE when it's light out.
4. Only use sjRIDESHARE with a friend.
5. Call your parents to let them know you arrived safely at your destination.
